READ THESE DIRECTIONS CAREFULLY BEFORE STARTING THE EXAMINATION!

It is extremely important that you fill in the answer sheet EXACTLY as indicated, otherwise your test may not be processed; ALL entries are to be made on SIDE 1 of the answer sheet. Use a #2 pencil (or softer); fill in the circles completely and firmly. Erasures must be complete. Use only the following categories:

<table>
<thead>
<tr>
<th>NAME:</th>
<th>Print your name starting at the first space, LAST NAME first, then a space, followed by your FIRST NAME, then another space, followed by your MIDDLE INITIAL. Fill in the correct circles below your printed name corresponding to the letters of your name; for the spaces, fill in the top blank circle.</th>
</tr>
</thead>
<tbody>
<tr>
<td>STUDENT NUMBER:</td>
<td>This is VERY IMPORTANT! Put in your 8 DIGIT NEW STUDENT ID NUMBER (do not use the 9 at the beginning of your number) beginning in column A and continuing through column H, column I will be blank, (do NOT use column J at this time) under IDENTIFICATION NUMBER; be sure to fill in the correct circles (a common error to be avoided is mistaking &quot;0&quot; for &quot;1&quot;).</td>
</tr>
<tr>
<td>TEST FORM:</td>
<td>Fill in the &quot;2&quot; blank in the J column under IDENTIFICATION NUMBER (to indicate Final Examination).</td>
</tr>
<tr>
<td>SPECIAL CODES:</td>
<td>Use for course and section number; in positions K-P write in one of the following: 113-001, 002, 003, 004, 005 or 006.</td>
</tr>
<tr>
<td>SIGNATURE:</td>
<td>You MUST sign the examination answer sheet (bubble sheet) on the line directly above your printed name. Use your legal signature.</td>
