# CHEM NEWS

UNIVERSITY OF KENTUCKY DEPARTMENT OF CHEMISTRY

**Today: Friday, September 6, 2019**

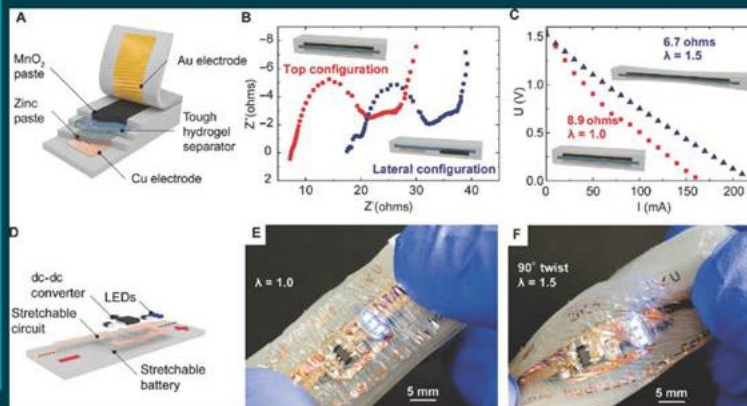

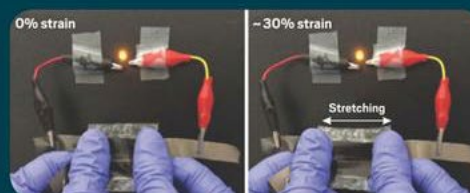

**4:00pm** in CP-114, Dr. Jodie Lutkenhaus will present "Polymer-enabled Energy Storage" at the Departmental Seminar. For her abstract and bio, [click here](#).

Chemistry Departmental Seminar  
Dr. Jodie Lutkenhaus

## *“Polymer-enabled Energy Storage”*

Friday, September 6, 2019  
4:00pm  
CP-114

 College of Arts  
and Sciences  
Department of Chemistry

**Save the Date:**

**Tuesday, September 17, 2019**

**4:00pm** in CP-114, Dr. Maureen Tang will present "From Molecules to Devices:

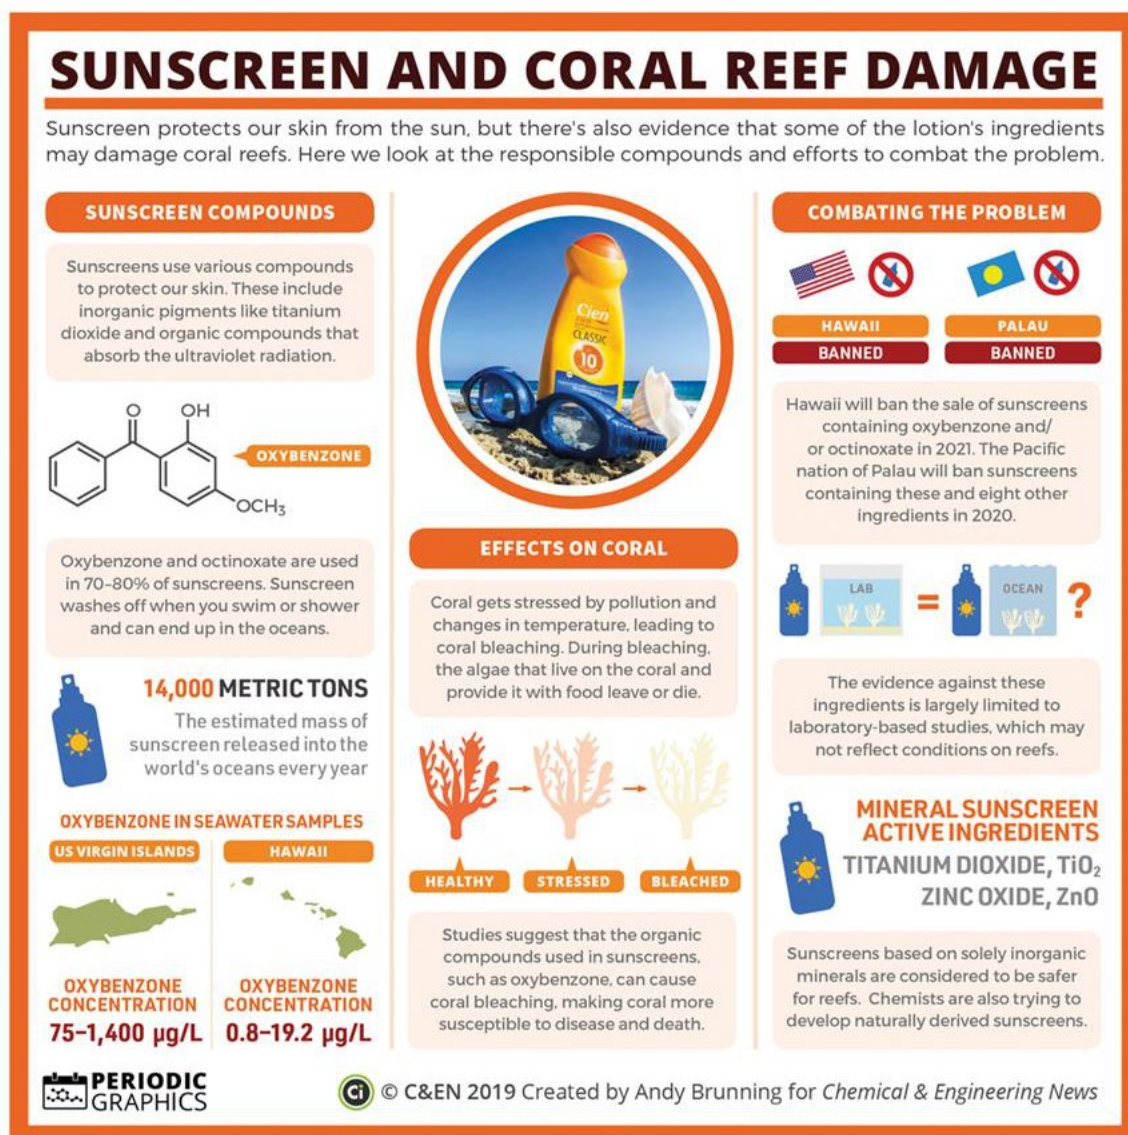

Mechanistic Analyses of Electrochemical Energy Systems" For more information, click [here](#).

Friday, September 20, 2019

4:00pm in CP-114, Dr. Jacob Durrant will present "Molecular Dynamics Simulations of LARP1, s Cancer-Relevant Drug Target." For more information, click [here](#).

### This Week's Fun Fact:

The effects of sunscreen ingredients on coral reefs is explored. For the full graphic, [click here](#).
